Student Education and Service Center
Library & Information Services

Complimentary learning resources are provided to students, faculty, and staff and are housed in the Student Education and Service Center (SESC) located in the Keck Building. The SESC offers:

- Computer-assisted instruction in mathematics, writing, reading, and other curriculum supported subjects
- Free tutoring in most subjects for both individuals and small groups of students
- Internet access and web-based learning programs
- Pre-admission placement exams
- MCAT Review
- Blackboard assistance
- CORECTEC for Radiography students
- ChemLAB chemistry tutorial
- Community Service Opportunities
- Printing and photocopying: purchase payment card from vending machine
