Learning Express Library (LEL) is a collection of online materials to support the educational process at Charles R. Drew University.

The materials included for each subject may include tutorials, practice tests, skills review, and/or ebooks.

The first time you use LEL, you must create an individual login. After that, you use that login to access any of the resources on the site.

Subjects included:
- **Math:** Basic math, algebra, calculus, statistics
- **Science:** Biology, Chemistry
- **Reading and Writing**

Exam practice and/or review:
- **GRE**
- **MCAT**
- **Nursing admission tests:** HESI, TEAS
- **NCLEX-RN**
- **Radiography:** ARRT certification practice
- **PANCE**

Other topics:
- How to prepare for exams and test-taking skills
- Finding jobs: resumes, cover letters, interviews
- On-the-job skills
